

Invitation to UNICEF Park Project 2004 "Summer Camp" !!

The UNICEF Park Project was launched to create a park by children from their own viewpoints, using their own hands. The park will be the world first "UNICEF Park" combining idea of UNICEF and what we want for parks.

This summer, the UNICEF Park Project 2004 will hold three-night "Summer Camp". At the camp, children from different countries will play together freely in the nature and discuss the ideas for creating park, with the support of experienced volunteer staffs.

We invite you to this wonderful experience.
