NDYS2016 Declaration

100 students and teachers from more than 10 countries and regions united together in Niigata, Japan to present the results of the NDYS2016 project under the theme of “Climate change and Disaster Reduction, Mitigation and Reconstruction of our town” through global collaborative Active-learning. Students learned from each other about Disaster Management Practices and different cultures around the world while reviewing the 11th UN Sustainable Development Goal (SDG-11) that aims to make the cities inclusive, safe, resilient, and sustainable in addition to the 13th UN Sustainable Development Goal (SDG-13) that aims to take urgent action to combat climate change and its impacts.

Students discussed and announced the NDYS2016 declaration:

***“To kindle the passion within,
students need to take responsibility,
for the world is in their hands.”***

(和文) この胸の内にある情熱の炎を燃やして、
私たち学生は責任を果たしていきます。
世界の未来は私たちにかかっているのですから

Students recited the NDYS2016 Declaration in mother language.

Participating Countries and Regions:

Islamic Republic of Iran, India, Republic of Indonesia, People's Republic of China, Republic of Colombia, Commonwealth of Australia, Republic of Turkey , The United States of America, Taiwan, Japan
