Town: Kaohsiung **Country:** Taiwan
Schools: FHSH. CCAFPS. FXM. KSVS

School Introduction:

FHSH- Feng-Hsin Senior High School

National Feng-hsin Senior High School was founded in 1992, located in Fengshan, Kaohsiung County in Taiwan. At present, the school has 2,088 students, with 57 classes and about 200 staffs. They are reputed in international education.

CCAFPS-Chung Cheung Armed Forces Preparatory School

CCAFPS was officially established on June 16, 1976 by the President Chiang Ching-Kuo. It's the only military senior high school in Taiwan. All of the students have to study the same courses as normal senior high school, and then they can choose to study in Military Preparatory, Naval Academy Preparatory or Air Force Preparatory universities. The government provides expense for all of the students. It is an aristocrat of military senior high school.

FXM- Feng-Xi Junior High School

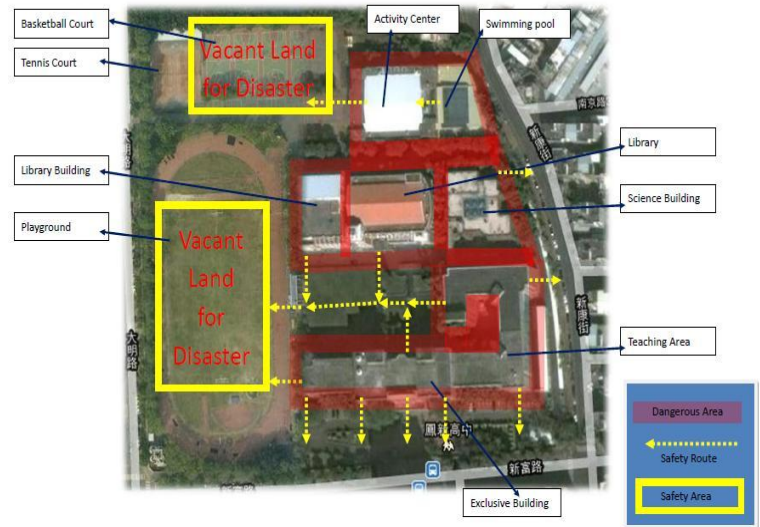

Feng-xi (Fong-si) Junior High School was established on December 19, 1970. It is the biggest junior high school in Kaohsiung county, and the amount of the students is over 3,000. They are reputed in the best admission rates in Kaohsiung county. No matter the sports or talented or resource classes, they had great achievement on it.

KSVS- Municipal Kaohsiung Senior Vocational Industrial High School

(1) The school consists of ten departments with a total of 73 classes and about 2,810 students. (2) The 10 Departments are:

Safety Map Introduction

The Safety Map of FHSH

In Taiwan, Earthquake is the most common disaster. Therefore, our safety map is based on earthquake disaster. The red area is the most dangerous one. We should prevent from the dangerous buildings collapse. The Yellow line is the suggested route when the earthquake happens. It will be safer to follow the direction to find the way out in the emergency.

Department of Mechanics, Department of Drafting, Department of Auto Mechanics, Department of Electronic & Electrical Engineering, Department of Electronics, Department of Computer Science, Department of Refrigeration & Air-conditioning, Department of Architecture, Department of Chemical analysis, and Department of Graphic Arts & Communication. They are reputed in industrial education.
