➡ *To achieve NDYS goal*

What can we do now?

➡ *NDYS goal is that*

Let's think about Natural Disasters!
What disasters happen in your country?
earthquake, flood, drought, volcanic eruption...

Let's make a Global Youth Network!
Making a Global Network, help each other in emergency!

Let's share the lessons of Disasters that you have experienced!
As you convey the lessons of disasters, we can reduce the damages of next disasters.

Let's make a difference in the world!
Each region and country have each disasters, and we have different knowledge to reduce the damages of same disaster. Share your knowledge in the world. You can contribute to the safer world!
